Application No. 10/758,767

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner called and discussed some possible amendments in claim 43. Mr. Wozny agreed and authorized the Examiner to make the amendments as discussed in claim 43. The amendments were related to some drafting issues to make the invention clear for the public.

Examiner called on 10/21/2009 about the pending application 11/966,504 (filing date 12/28/2009). The restriction requirement has been mailed in this case. Claim 52 of this application contains the kits of specific compound as in present application presented in claim 9, 14, 22, 32, 38 and 41 contain the same compound and claims are drawn to compounds, composition and method of use. Claims of his application is now allowed which has the priority date of 01/17/2003.
